

NEWSLETTER 2018 Edition 2

It was a thumbs up to Round 1 for our girls

It would appear that Mother Nature was just waiting for the Netball Season to start before switching the seasons across to Autumn. On Saturday the rain showers came and went but that did not dampen the spirit of our young netballers. We had three teams take to the courts which resulted in two wins and a loss but more importantly it resulted in plenty of laughs and smiles.

Thank you to the Committee members, Umpires and of course players, parents and grandparents for making sure that our 2018 netball season started off with such enthusiasm.

So the question is, are our seventeen other Oakhill netball teams ready to hit the court this Friday or Saturday? We hope so!

If you do not have your uniform all ready to go please contact Zoe Nicholls ASAP to discuss what you need to do. She can be reached at odnc_enquiries@yahoo.com.au or via the Team App Chat function.

Do you know an awesome shooter (over 35 years) that wants to play netball on Saturdays? Our Masters A/B team are still looking for a shooter. If you know anyone suitable please let Zoe Nicholls know.

There are a number of girls that will be playing their first ever game of netball on Friday night so we hope that this is the start of their love for the sport. You never know we may just see them one day play for the Diamonds!

Good Luck to those teams that kick start their netball season this weekend.....

10C2s set themselves up for a great season

The 10C2s performed above expectations this week not only in the quality of their play but in the beautiful attitudes they brought onto the court. All smiles, they worked hard and it paid off with a high scoring game. Solid in defence Chloe, Kirri Caitlin, Selina and Jess kept on top of the play to ensure that our opposition was held out. Mid court carved it up with some fast passing, thoughtful breaks and high communication. Congratulations to Amelia and Liv for their attacking attitude and persistence.

Emily and Halle shot brilliantly well, Halle with a guest appearance in Centre to mix it up. Chloe and Selina also stepped up to the plate to shoot this week with great results.

The best part of the game has been realising the potential in our combinations with very solid options to work between defence, attack and shooting on all sides. I love their attitudes and their brilliant work ethic on the court. I can't wait to see what another amazing season brings. Well done 10C2s!

Written by Kirsty Newbury, Coach for the 10C2s

Leave plenty of time to park and use your common sense!

We live in a world of change and well Kellyville is no different. There continues to be construction and road changes at every turn so please ensure that you leave yourself plenty of time to navigate your way to the courts on a Saturday.

Friday night netball will be a new experience for us all and not only will we be dealing with construction and road changes but also peak hour traffic of a Friday evening. It may take you a couple of weeks to work out how long it is going to take to get to the courts so please allow yourself plenty of time. It doesn't matter how much you may curse the peak hour traffic it will not make it move faster!

If you have any issues arriving at the courts in time please contact your coach to let her know where you are but please do this safely and do not text whilst driving.

Once you have reached the courts you will notice that the carpark is a work in progress. Please use your common sense when parking and **DO NOT block any entrances** or areas which cars need to travel to get in and out. On Saturday there were a number of announcements made asking people to move their cars. Please be patient whilst the car park is being fixed and most of all use your common sense and park in a sensible spot!

Rebel Community Kickback Program – Help ODN every time you shop at Rebel

Oakhill Drive Netball Club is participating in the Rebel Community Kickback Program. Under this program our club will receive a 5% credit from everything you spend at any Rebel store or at Rebel online. Oakhill Netball can then redeem the amount earned at Rebel Castle Hill (Towers) to purchase equipment for our club.

This is a fantastic initiative from Rebel and will allow our club to invest in equipment we use to train, play and enjoy our sport. Every little bit adds up and will help our club!

How does it work:

- Oakhill Netball members need to join the Rebel Active Loyalty program (if you are not yet a member). This can be done easily in store or online.
- You then need to nominate Oakhill Drive Netball club in your Rebel Active account profile (this can be done easily in store at the time of your purchase).
- You then just use your Rebel Active Loyalty Card each time you make a purchase in ANY Rebel store or online via the Rebel website.

Thank you to Rebel Sport for this great program and don't forget to nominate Oakhill Drive Netball Club as your club!
