All teams are off and running!

As the sun set on a fresh Autumn Friday, NetSetGO players prepared to start the tradition of Friday night netball at Kellyville. I personally am going to start a beanie collection as it became a tad chilly once that sun disappeared but that didn't seem to bother the girls as they ran around like crazy and were obviously immune to the cold. There was face painting, jumping castles, Sydney Swift players and some great netball skills shown. The excitement from the girls when the goals went in was amazingly cute. It promises to be a great season of Friday night netball.

Saturday proved to be a beautiful day with the sun shining and our Oakhill Netball Teams ready to hit the courts running. Round 2 was our annual clash with the Oakhill School Band Camp which happens each year. It meant that a few of the younger teams had to play with only six players but I am sure that just led to a stronger determination in our girls. Overall we ended up with some triumphant wins, a nerve wrecking draw, some close and tough losses but there were smiles all round. It was only the first game for most teams so there is plenty to build on in 2018!

What is every little girl's favourite colour? **PINK!** Well that may be a generalisation but let's pink it up in an effort to support the research of Breast Cancer. Unfortunately this is an illness that affects many people we know...mothers, sisters, friends and even our fellow netballers. It is a cause that is very important to many of us at Oakhill Netball. Every little bit we can do can help so let's join in the fight and help raise money. Each Team Manager will be responsible for collecting the gold coins from their team and taking the donation to the Control Office.

Let's PINK it up and show our support for Breast Cancer Research.....

UPCOMING EVENTS – NetSetGO Round 2 Friday 11th May

Round 2 means **PINK!** As Friday nights have proved to be a little chilly, this week the girls can wear **pink** leggings and **pink** shirts under their Netball uniforms. Don't forget the **pink** socks, **pink** hair and why not **pink** nails!

Juniors and Seniors Round 3 – 12^h May

8 Green have loved their first game of netball!

I am so excited at how well the girls played.

What a wonderful start to our season. Well done to all the girls, you all played a great game. Thankyou for all coming to the game with a positive attitude and lots of energy at the end of the week and on such a cold night.

Jessica, Isabel and Nisini all did a great job at defending their players. Well done to Angela, Teresa and Esther who all scored goals for the team. Stuti, Emily S and Emily W all performed well in the centre court, directing the ball to our goal end.

It was great to meet all the families and we are looking forward to an exciting season.

Chemist Warehouse Netball Clinics

Invitation to

**20 July 2018 Baulkham Hills
Anne Sargeant Chemist Warehouse Netball Clinic**

Anne Sargeant Chemist Warehouse Netball Clinics (ASNC) are run by former Australian Netball Captain and media personality, Anne Sargeant. In 2015, Anne was the 37th athlete and first netballer ever to be elevated by the Sport Australia Hall of Fame to "Legend" of Australian sport.

The program, though constantly changing in new and exciting ways, has successfully operated for over 20 years and is now proud to announce Chemist Warehouse as our Major Partner.

ASNC uniquely combines Anne's experience as an International, with her qualifications as a Bachelor of Education(Physical Education), her National Coaching Accreditation , as well as her experience as National Selector for the Australian Netball Diamonds.

ASNC are designed to bring junior netballers of all abilities in closer contact with their heroes, at the same time developing their skills, confidence and enjoyment of Netball.

ASNC features experienced, knowledgeable coaches, many of them current and former representative players and coaches.

Players are grouped according to age and work on footwork and ball handling drills, specialist positional sessions, court work and match play.

Every participant is acknowledged with an ASNC Star Netball Certificate courtesy of Chemist Warehouse. Each ASNC clinic also climaxes with a presentation of Awards that rewards outstanding effort featuring the Chemist Warehouse Award for Excellence and the Chemist Warehouse Anne Sargeant Netball Scholarship.

And by way of supporting various districts and developing players, ASNC offers approximately 15 scholarships annually to attend our January week long ASNC.

Our hope is to impart knowledge, develop skills, offer tactics, as well as to offer social interaction with other players equally passionate about their sport.

Safety and care are paramount to ASNC ...as is learning in a FUN environment!!

Our aim is 'inject' participants with a shot of enthusiasm and a love of netball!
