We were a sea of Pink!

**UPCOMING EVENTS –
NetSetGO Round 3
Friday 18th May**

We did almost turn into a sea of pink on Saturday, with the rain not willing to completely disappear. It was fantastic to see everyone in Pink on both Friday and Saturday and showing their support for the great cause which is Breast Cancer research. We all hope you donated your gold coins and helped to support the cause.

Round 3 is a normal round for NetSetGO. We have found it rather cold on Friday nights so we would like to remind the girls that they can wear **Navy leggings and White shirts** under their uniform for added warmth. These are the approved Oakhill colours.

We also can't forget Mother's Day. Happy Mother's Day to all the Netball Mums out there, we hope you were spoilt and loved on Sunday.

**Juniors and Seniors
Round 4 – 19th May**

I can't believe that we are up to Round 4 already, time is flying by. It's been a great start to the season by many of our teams so keep up the good work and remember to enjoy your netball.

Round 4 is a normal playing round. Good luck girls.

Round 4 already....time flies when you are having fun!

Presentation Date

SAVE THE DATE: The Oakhill Drive Netball Club Presentation will be held on the 13th October 2018. Put it in your diaries!

8 Gold showed amazing resilience in a tough game!

What a game on Friday night! The girls of 8 Gold are showing us that they are really learning the skills of the game. Each week they get to play in a new position and we can see the attacking and defence skills improving. It was a tough match on Friday night, not only was it extremely cold but the game was a little more physical than what they are used to but I am proud to say that the team showed great resilience and kept up the great defence the entire way down the court.

I must congratulate Olivia, who just kept going the entire match, sticking to her tough player and getting intercept after intercept. This gave her the well deserved player of the week certificate. Chelsea and Molly also tied up the defence end sticking to their players, staying in front, doing everything that was asked of them and having a great game.

Keeping our mid court moving was Sophia, Sophie and Luna. Finding space is always our priority in the mid court and the girls are learning to spread out and get that ball moving.

All the girls love to shoot and Friday was no exception. Kate, Madeleine and Luna all had some great attempts and regardless of whether the ball went through the hoop it was nice to hear the encouraging cheers from the sidelines. This was also the first game for Kate after recovering from a broken arm and it was great to see her excited to be back in the thick of it all.

I must thank the parents of 8 Gold for braving the cold each week so that the girls can enjoy their netball. The smiles the girls give us each week will hopefully keep us motivated and warm! I look forward to the girls having a great season.

Chemist Warehouse Netball Clinics

Invitation to

**20 July 2018 Baulkham Hills
Anne Sargeant Chemist Warehouse Netball Clinic**

Anne Sargeant Chemist Warehouse Netball Clinics (ASNC) are run by former Australian Netball Captain and media personality, Anne Sargeant. In 2015, Anne was the 37th athlete and first netballer ever to be elevated by the Sport Australia Hall of Fame to "Legend" of Australian sport.

The program, though constantly changing in new and exciting ways, has successfully operated for over 20 years and is now proud to announce Chemist Warehouse as our Major Partner.

ASNC uniquely combines Anne's experience as an International, with her qualifications as a Bachelor of Education(Physical Education), her National Coaching Accreditation , as well as her experience as National Selector for the Australian Netball Diamonds.

ASNC are designed to bring junior netballers of all abilities in closer contact with their heroes, at the same time developing their skills, confidence and enjoyment of Netball.

ASNC features experienced, knowledgeable coaches, many of them current and former representative players and coaches.

Players are grouped according to age and work on footwork and ball handling drills, specialist positional sessions, court work and match play.

Every participant is acknowledged with an ASNC Star Netball Certificate courtesy of Chemist Warehouse. Each ASNC clinic also climaxes with a presentation of Awards that rewards outstanding effort featuring the Chemist Warehouse Award for Excellence and the Chemist Warehouse Anne Sargeant Netball Scholarship.

And by way of supporting various districts and developing players, ASNC offers approximately 15 scholarships annually to attend our January week long ASNC.

Our hope is to impart knowledge, develop skills, offer tactics, as well as to offer social interaction with other players equally passionate about their sport.

Safety and care are paramount to ASNC ...as is learning in a FUN environment!!

Our aim is 'inject' participants with a shot of enthusiasm and a love of netball!
