

## NEWSLETTER 2018 Edition 5

### Positivity was the word on Saturday!

Last weekend was SHOOOSH for Kids! We are reminded that netball should be fun for ALL ages (yes, young and old) and that respect should be shown to players and officials each week at both games and training. We think that Oakhill members and spectators are doing a great job of staying positive this year and we urge you to keep up the positivity!

This week is Volunteer Appreciation Week. Our game is made up of enthusiastic netball players and Volunteers. Coaches, Umpires, Managers, Committee members.....without these volunteers we would not be able to enjoy our netball each week so please take the time to thank these volunteers. If you don't currently volunteer I encourage you to investigate what you can do to assist, there are always jobs that need to be done!

Yes I know it is still early days in the season but I must say a big congratulations to seven Oakhill teams that are currently top of the leader board in their competition. Keep up the good work girls!

### UPCOMING EVENTS – NetSetGO Round 4 Friday 25<sup>th</sup> May

Round 4 is a normal round for NetSetGO. We have found it rather cold on Friday nights so we would like to remind the girls that they can wear **Navy leggings and White shirts** under their uniform for added warmth. These are the approved Oakhill colours.

### Juniors and Seniors Round 5 – 26<sup>h</sup> May

Round 5 is a normal playing round. Please take the time to thank the Volunteers out at the courts this Saturday. Good luck girls.

### Presentation Date

**SAVE THE DATE:** The Oakhill Drive Netball Club Presentation will be held on the 13<sup>th</sup> October 2018. Put it in your diaries!

## Celebrating Volunteers!

This is some of our Committee team setting up for the May meeting. One of the discussion points this month was club fundraising. This year is our scheduled major fundraiser to raise funds for the club. We are planning to have a games/trivia night. We are seeking volunteers to assist in the preparations and also seeking prizes/donations that can be used for the night. Please contact Kath Geale, our Vice President at [odnc\\_publicity@yahoo.com.au](mailto:odnc_publicity@yahoo.com.au) if you are able to assist.

## Issues with Uniforms and Patches

Now that the season is underway we have identified a couple of issues with recently purchased uniforms and also some older patches.

**Dresses** - Firstly it has come to our attention that some of the uniforms that have been purchased from the Netball shop for this season have been manufactured in the wrong material. The material used is much thinner than what we normally have. If you have purchased a dress pre-season please contact Zoe Nicholls via [odnc\\_enquiries@yahoo.com.au](mailto:odnc_enquiries@yahoo.com.au) to see if your dress requires replacing.

**Patches** – some of the teams are having issues with the press studs on the patches and they are not attaching to the dresses properly. Coaches: if you have a set of patches where some positions are not attaching correctly please let Zoe know. We can arrange for the problematic patches to be re-studded.

## 13D1s come away with a well deserved win!

With 2 players down, the 13D's showed great resilience on Saturday, taking the court on a very warm May Day without any subs. They didn't let this get to them though.

Something magical seemed to click at both ends of the court. In the defensive circle, Amiity and Sienna worked super hard together, covering each other's players, making it difficult for the attacking team to get passes into the shooters and defending many shots with long outstretched arms.

While at the other end, Chloe and Kira moved around the circle like ballerinas and made several fantastic passes to each other. This was only topped off by them shooting like superstars.

None of this could have happened though without strong support from the mid court. Aisling consistently stuck to her player and thwarted many passing attempts in WD. Aliyah was the champion of intercepts on the day in C due to her dogged determination to get her hands on the ball. And Leah in WA successfully worked so hard to get open for every pass, leading to beautiful fluid passing down the court.

At the end of the game it was a great first win for the girls. I'm so proud of them!

**20 July 2018 Baulkham Hills  
Anne Sargeant Chemist Warehouse Netball Clinic**

Anne Sargeant Chemist Warehouse Netball Clinics (ASNC) are run by former Australian Netball Captain and media personality, Anne Sargeant. In 2015, Anne was the 37<sup>th</sup> athlete and first netballer ever to be elevated by the Sport Australia Hall of Fame to "Legend" of Australian sport.

The program, though constantly changing in new and exciting ways, has successfully operated for over 20 years and is now proud to announce Chemist Warehouse as our Major Partner.

ASNC uniquely combines Anne's experience as an International, with her qualifications as a Bachelor of Education( Physical Education), her National Coaching Accreditation , as well as her experience as National Selector for the Australian Netball Diamonds.

ASNC are designed to bring junior netballers of all abilities in closer contact with their heroes, at the same time developing their skills, confidence and enjoyment of Netball.

ASNC features experienced, knowledgeable coaches, many of them current and former representative players and coaches.

Players are grouped according to age and work on footwork and ball handling drills, specialist positional sessions, court work and match play.

Every participant is acknowledged with an ASNC Star Netball Certificate courtesy of Chemist Warehouse. Each ASNC clinic also climaxes with a presentation of Awards that rewards outstanding effort featuring the Chemist Warehouse Award for Excellence and the Chemist Warehouse Anne Sargeant Netball Scholarship.

And by way of supporting various districts and developing players, ASNC offers approximately 15 scholarships annually to attend our January week long ASNC.

Our hope is to impart knowledge, develop skills, offer tactics, as well as to offer social interaction with other players equally passionate about their sport.

Safety and care are paramount to ASNC ...as is learning in a FUN environment!!

Our aim is 'inject' participants with a shot of enthusiasm and a love of netball!
