

## NEWSLETTER 2018 Edition 11

### Are you prepared for a Fun-raising evening?

**Get your gold coins ready for what is promised to be a fun-raising, hilarious and enjoyable night this Saturday!** That's right, this weekend is finally our Games Night Event. We have many a table busy working on decorations and outfits but it's not too late to join us if you are yet to organise a table. We will welcome any late comers and find you a spot (\$25 payable at the door). We have raffles, pick a number, coin tosses, prizes for best dressed and many an entertaining game for you all. See you all there!

Although our focus has been all about the Games night let's not forget about the reason we are all here...Netball! We are up to Round 11 already and with the lead up to Semi Finals fast approaching we have fifteen teams sitting in a top four ladder position. This may very well be our most successful season to date! Good luck to everyone in Round 11, keep working hard but most of all enjoy your netball.

**Bring back 1994!**

### Umpiring News

Round 10 saw three brand new umpires successfully officiate their first competition game. Congratulations to Evie Davidson, Hannah McNicholl and Jessica Bate, what an amazing job you each did for your very first game. All of you improved over the course of the game where the main focus was on short, sharp whistles, clear and loud calls, and simple terminology. Thank you also to this week's mentors - Kelly Simmons, Kiri Bowcock and Zoe Nicholls.

### Presentation Day 13<sup>th</sup> October 2018

**SAVE THE DATE:** The Oakhill Drive Netball Club Presentation will be held on the 13<sup>th</sup> October 2018. Put it in your diaries!

### Club Photo Day 4<sup>th</sup> August 2018

Club Photo Day is scheduled on Saturday 4<sup>th</sup> August. Envelopes have now been handed out. A photo day schedule is on Page 3 of the newsletter or can be found under documents in the App. Please make note of the time you need to arrive.

Round 10 also saw another two of our developing umpires complete their second competition game - well done to Anastasia & Natasha Grubisic, for not only coming out for the 8:00am slot but for listening & improving.

Congratulations to Alexis Masterton who was awarded her district Gold level badge in Round 10. Alexis played for Oakhill for many years and whilst she now plays for a different club she continues to umpire for Oakhill and has been actively participating in association carnivals throughout this season. Thankyou to Kiri Bowcock for her mentoring and guidance of Alexis, she has developed into a confident & capable umpire.

#### RULE IN REVIEW

This week I want to focus on a rule which is rarely picked up by umpires but happens quite often during a game.

#### Page 61. 12.2.1 Moving into Player's Space

1. (I) Landing in a place already occupied by an opponent before the movement began
2. (ii) Moving into the path of an opponent who is committed to a particular landing space.

Interpretation of the above rule is something that many umpires get wrong simply because they either don't understand the rule itself or they failed to watch the positioning of the defender prior to the previous movement.

The most common example of point (i) is in the shooting circle where the shooters split to gain space whilst feeding the ball out to the wing / centre. Please be mindful here, if the defender has taken up a position PRIOR to the movement (which is usually the 2nd movement) and comes into contact with the defender then technically the shooter has contacted.

TIP: Umpires should always have their rule book handy. Read up on the more complex rules, learn them, learn the page number & where possible the rule number itself. This knowledge is powerful when confronted with captains for clarification & or other umpires.
