

## NEWSLETTER 2018 Edition 13

### It was smiles all round on Saturday

The sun was shining and we were all photo ready on Saturday. Thank you to Natalie Roberts for taking our photos, she showed patience and ensured we all had great smiles on our faces. Thank you also to Kath Geale for organising Club Photo Day and Anita Brading for organising the teams on the day. We can't wait to get our photos in the coming weeks.

**10 Teams in 1<sup>st</sup> place!** You can tell just by looking at the Results table (on page 2) that Oakhill Drive Netball Club is having a great year in regards to results. We have had two more teams have fantastic wins on the weekend and jump up the ladder into first place, making that ten teams in total sitting at the top of the ladder. We then have another five teams sitting in a top four position. That is an amazing 15 teams heading their way towards Semi-Finals. Finals times are now out and shown on Page 3 of the newsletter. Please take note of the time your team will be playing as it will differ from the normal playing rounds.

Only three more weeks of netball left until the Semi Finals so keep up the great work everyone and enjoy the netball season before it comes to an end.....

### The 11Bs are playing on.....

Oakhill T15 v Castle Hill Sports 33  
LOST : 15 to 8

Whilst the score didn't show a win for our 11B team, this game was by far one of their best. We recently started working with the girls on "playing on". Moving away from the typical "land - look - pass" (with the ever reliable pivot) and working with the girls to save valuable seconds by landing the way they are heading, being confident to

adopt a 1 - 2 approach to catching & passing and trusting that each team member is in the right spot to receive a pass.

A few stray passes as expected, but by the end of the 3rd quarter the girls looked impressive. Well done girls it is hard breaking away from what you have been taught to do from the U7's to the U10's, but you all embraced it, and it can only get better.

## Umpiring News – Round 12 4<sup>th</sup> August

Round 12 saw the last of our developing umpires on her very first competition game. Well done Gaelle Creusot, you listened, improved & smiled the entire game, what a lovely umpire you will be.

Congratulations to Anastasia Grubisic who completed her required 4 competition games to receive her White Award. Well done Anastasia, it is hard to believe that you have only umpired 4 games, your terminology & calls are great, you picked up on some infringements which typically we don't see until umpires reach their district Green level. Obstruction without the ball, contact away from the play - these calls show that you are looking ahead and not just at the players who have the ball at the time.

To all of our other developing umpires & mentors thank you for continuing to listen, learn & grow. Each game you will become more confident and this is definitely evident in the changes that we see each week. Practice blowing the whistle at home using your hand signals and the correct terminology. Keep the calls short & simple eg. Blow Whistle, Use Hand Signals, Infringement = Stepping, Penalty = Free Pass, show direction of play and state the team name = Oakhill

Coming into Semi's the sidelines will become more vocal, if any umpire has any challenges please call myself or any other committee member for assistance. If you cannot reach one of us then please send someone up to the admin block or umpires control and ask for assistance. We have a zero tolerance for anyone abusing an umpire. Umpires get it wrong from time to time and at the end of the day it is just a game.

Stay calm everyone as we head into Semi's and good luck.
