Guidelines for Finals –

- Enjoy the game!
- There are 2 sidelines: On one sideline we have the **Officials Bench**, there should be the coaches, scorer, time keeper, and first aid/carer. **This is shown on the below court map with the red line indicating the Officials Bench.** All spectators need to be on the opposite sideline to the Officials bench, any spectators standing at the Officials Bench or at the ends of the court will be asked to move.
- Cheer loudly and show respect to both teams.
- You cannot borrow players unless our Registrar and BHSNA have been notified in advance and it has been approved.
- Be supportive of the umpires. Umpiring during finals is a tough job, with a multitude of parents analysing your every call. Umpires are only human, mistakes may be made but remember every umpire is doing their best.

11Bs finish off with determination

What an awesome end to our season beating the team coming in 4th by 2 points. Well done girls for finishing off your season with the determination to play well and win. We say goodbye to Jasmine this year we are sorry to see her go, but wish her well and hope she continues her Netball in NZ. Have a fabulous Netball / Christmas break and we hope to see you all back in 2019.

Written by Kim Davis, Coach for 11Bs

Are you coaching or do you want to be a coach?

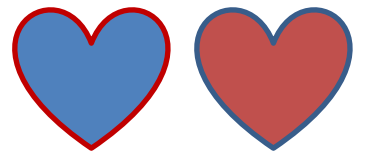

Coaching to say the least is a rewarding experience. You may be a coach and want to further your knowledge or you may be wanting to coach and just don't know where to start. More often than not we are always in need of coaches for teams at the beginning of a netball season. As a club we rely on volunteers to coach our teams and most of the time the coaches are parents who have children playing.

Netball Australia has a fantastic resource of information and courses for coaching, here is how to find it -

1. Go to <http://my.netball.com.au>
2. Log in if you are an existing coach or a player. If you are new to netball coaching create a log in.
3. Once you are logged in go to the 'learning' page and then to online learning.
4. Now you can browse the courses available to you, there is a range of courses for coaching, umpiring, becoming an official. Here is just a few available -
 - **Community Coaching General Principals** – aimed at first time coaches
 - **Foundation Online Coaching Accreditation Course** – this is a course we encourage all our umpires to undertake. It provides helpful information in all aspects of coaching and is a great resource. This is the first step in becoming a qualified coach.
 - **Getting to know NetSetGO**
 - **KNEE for coaches**
 - **PBTR – Child Protection**
