

NEWSLETTER 2019 Edition 2

Welcome back everyone!

We are back in full swing with NetSetGO, Junior and Senior games all being played over the weekend. This year we have 25 teams in total – 4 NetsetGO, 9 Junior, and 12 Open Teams. I believe this is the most teams we have had to date at Oakhill Netball. Welcome to everyone and be sure to help and support each other out at the courts each week.

It was a true introduction to winter sport for the little ones on Friday night. The rain threatened to cancel the planned Fun Night but with a bit of luck the weather cleared just in time. Our four NetSetGo teams took to the court and from all reports back there were four teams of girls having fun and learning netball.

Well done to all the girls and ladies who took to the court on Saturday. The day appeared to run smoothly for all involved. Out of the 21 games played, we had 13 wins. We congratulate everyone though as the first week can always be tricky meeting new team mates and playing the first game of the season. We look forward to seeing you all as the season progresses.

NetSetGO Fun Night – Oh what a night!

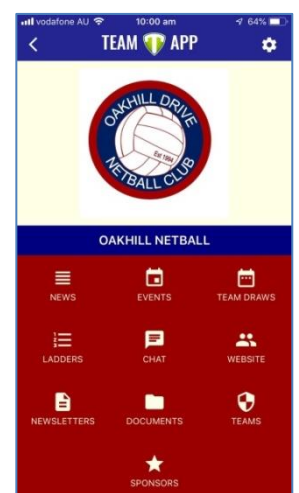

It was the NetSetGO Fun Night on Friday night and the rain could not keep us or the fun away! There was a pirate ship jumping Castle, face painting, Suncorp Super Netball activities and a special visit from Channel 9's Lego Masters mascot! We had four teams play on the night with many girls playing their very first game of netball ever. We hope you all loved the night and it was the start of a fantastic netball journey with many more games to come.

A great start to the season for ODNOC with 13 wins. The first game back is always difficult with many players playing together for the first time. All teams worked hard and we congratulate you all regardless of a win or loss. Our 11C2s unfortunately had to forfeit their first game as the majority of the team were attending the ODPS Band Camp. We hope you enjoyed camp and are looking forward to seeing you on the court this coming Saturday.

Thank you Strike Bowling and Holey Moley Golf Club

Strike Bowling and Holey Moley Golf Club, located at Castle Towers, have kindly donated vouchers to ODNOC. These vouchers will be allocated out to all Junior teams..

The promise of a great season ahead for 9 Gold

As Friday progressed it was questionable as to whether we would actually get to our first Friday night game but the rain managed to stop just in time. Despite the cold and one very slippery ball, the 9 Gold team started the season with a great game and win under their belt.

Our defence down the entire court was strong with great intercepts by Molly, Madeleine, Sophie and Kate. Our mid court, Olivia, Angela and Stuti never stopped running. The girl's ability to chase down the loose balls

will definitely be an asset to them as the season progresses. This week's shooting team of Chelsea, Kate and Madeleine impressed us all. They darted in and out of the circle to get that ball and shoot it through the ring with great success. It's clear that they have been practicing! I always encourage the girls have belief, try for that goal and not to worry if it doesn't go in and it's great to see them starting to back themselves. This year promises to be a great season for 9 Gold, lots to learn and lots of fun to be had on the netball court.

9 Navy (Team 23) have the right attitude for netball!

Continuous rain throughout the day, made for a wet and slippery first game back for the 9 Navy, Team 23. It was a great effort by the girls, with Friday night's game being the first time these awesome little ladies have played together in a team. Going down 3-6 didn't stop their positive attitude. Looking forward to next week's game and watching these girls play and develop their skills together this season.
