

Team 12 - Open Ds

NEWSLETTER 2019 Edition 3

Let's be positive for Shoosh for Kids Awareness Week!

The netball season is well underway now and Round 3 proved to be another successful week for Oakhill Netball. Our NetSetGO teams endured a cold, crisp night but like the little troopers they are all our girls played with smiles and determination. It was great to see some girls sporting the new Oakhill Beanies as well to stay warm.

Our Junior and Senior teams came away with 12 wins, 8 losses plus 1 bye. Each team is starting to get a feel for their competition but it's still early days, with plenty of rounds still to come. Keep working hard girls!

This week is Shoosh for Kids Awareness Week so let's ensure that we show respect and support to everyone at the courts this Saturday.

Our thoughts and best wishes are with a new member of the Oakhill family, Carmen, from our Open D team. Her netballing has been put on hold as she has been diagnosed with a brain tumor. We send her, her family and friends the strength and determination they need as they take on this new battle.

UPCOMING EVENTS

Shoosh for Kids Awareness Week is this week.

- 17th May 2019 - NetSetGO Round 4
- 18th May 2019 - Round 4 Winter Competition

PLAYERS STILL NEEDED

We urgently need players for the 12D1 team.

More information on this team, training times etc can be found in this newsletter. Help us find the additional players we need!

Umpiring Report

Thank you to all of our dedicated umpires. Even though Oakhill pays our umpires, there are always those who will put their hand up for an extra game or to help with mentoring, covering 25 games each week is a major juggling act especially when (understandably) some weeks umpires are just not available.

Over the tail end of the 2018 season and into 2019 our mentors have been working diligently with our "white" level umpires to develop them through the Umpiring pathways program encompassing their own umpiring goals to reach the next step. All umpires develop differently and at different speeds, which is totally ok, at Oakhill we do ensure that our umpires are badged when they are ready, not when a certain time has passed.

Round 3 saw 2 of our developing umpires progress to a BHSNA District Green level.

Congratulations to Trinity Newbury & Anastasia Grubisic. Both of these ladies are enthusiastic umpires who make themselves available and are always up for the challenge of an older or harder grade. Thank you my assistant badgers/mentors Kiri Bowcock and Kelly Simmons - both experienced National badged umpires.

Hard work pays off for the 12B1s with their first win of the season

12B1

Oakhill v Gazelles

Won - 18-16

Awesome effort by our 12B1's this week, despite not having our savvy mid-court player - Charlotte who is out with a fractured finger, the girls filled the gaps, played in sometimes different positions, worked together and came away with our first win for the season.

The team have been working hard on some set plays both from the C pass & the GK throw ins. Understanding who "should" get to the ball as opposed to who "can" get to the ball is the key to any team moving the ball down the court, without getting in each other's way. No individual player should need to touch the ball more than any other on court player. Getting the team to understand this concept and then initiate it will make them all better players by the end of the season.

Defending was definitely better with the girls staying close enough to "smell the perfume", and getting in front for passes as opposed to calling from behind. Well done to the 12B1's,

Written by Kim Davis, 12B1 Coach

15Bs are on fire!

The girls came out firing, getting to a 6 point lead in the first quarter and increasing the lead to 10 by half time. We won convincingly 29-16.

They played smart, drove forward and down the court. Great mid court play from Sienna who is new to our team, and Aimee, Lara, Erin and Sarah.

Good shooting from our new player Anoosha who has settled in like she has played years with the team, and with Anastasia in the circle.

Emma and Jess once again built that strong wall of defence.

Well done girls. What a great start to the season!
