

**NEWSLETTER
2019
Edition 10**

Welcome back for a perfect winter's day and Round 10!

We hope everyone enjoyed the break and were ready to hit the courts refreshed on the weekend. The sun was shining and we could not have asked for a better day to play netball. Thank you to all the coaches and to the players for making sure all our teams took to the court on Saturday, it can sometimes be tricky in the holidays with some players still away.

From Round 10 onwards BHSNA want to ensure that all teams are completing the score sheets correctly. Failure to do so may mean that your team incurs a penalty. Therefore if you are the scorer for your team please take the time to read through the score sheet procedures in this newsletter.

Good Luck in Round 11 everyone and enjoy this sunshine!

Score Sheet Procedures

NOTE: FAILURE TO COMPLETE THE SCORESHEET CORRECTLY MAY INCUR A PENALTY

1. The **first team** listed on the draw and on the score sheet collects it and takes it to the court.

*(Any goals scored prior to the arrival of the score sheet to the court **may not** be recorded)*

2. **Managers** must check the opposing team's identification sheet before the game starts, and verify the check by printing their name on the score sheet in the space provided. *If the identification sheet is not available, write "unsighted" in that section and do not sign it. If the identification section of the score sheet is unsigned, an Administrative Forfeit may be applied.*

3. Teams should supply **1 x Scorer each**, who stand together along the sideline, in line with the Centre circle, throughout the game. **The final goal for each team at the end of the game must be circled**, and each Scorer will print their name at the bottom of the score sheet to verify the score sheet is accurate.

4. Names and ID numbers of the team's registered players should already be printed on the score sheet. If a registered player is missing, see admin staff before the start of the game. Do not manually add **any players** to this list

(See below for players borrowed into a team)

5. **When borrowing a player**, their details must be recorded in the **Borrowed Players section**, and their ID sited from their own Team Sheet. The players **ID No., full name, division borrowed from, and team no.** must all be recorded.

6. It is essential that **every players' position for each quarter** be recorded in the appropriate box next to their name. If a player does not take the court for a quarter, place a dash in the box for that quarter, or leave it blank.

7. There is an **Incident Report Form** on the back of each score sheet. The Scorers can assist the umpires by recording any cautions/warnings applied during the game at the time, or at the end of the quarter in which they occurred. If unsure, remind the umpire at the end of each quarter/game to complete.

8. The **winning team** returns the completed score sheet to the Administration Building in a timely manner.
