It's time for a well earned break...........

When we arrived at the courts on Saturday morning to set up for photos it was really questionable as to how we were all going to play netball that morning as you would literally not see the courts from the car park through all the fog. A few hours later though it turned into a beautiful winter's day perfect for netball and photos. A big thank you goes to Kath Geale for organising our Photo Day, she had the schedule perfectly planned and the smooth running day left everyone smiling. It is not an easy task to create that schedule as there are game, umpiring, and coaching times all to consider. Well done Kath!

On Sunday we saw six of our Under 11s girls trial for the 11 development squad. There were nerves, smiles and plenty of encouragement between the girls with all of them giving it a go. A special congratulation goes to Halle Newbury for being selected into the 2019 squad.

We have made it through Round 9 and reached the holidays. Enjoy the break everyone, recharge and be ready to hit the courts running on the 19th/20th July. This is the last weekend in the school holidays so please ensure you have told your coach or team organiser if you are going to be away so we can manage all teams.

Club Photo Day

A foggy start to our club photo day certainly didn't dampen spirits as the day was a huge success! As the sun struggled to shine through the mist, our 11Bs kicked off the photo session with wide smiles!

Thank you to all Coaches, Coordinators and Managers for your cooperation and consideration in attending your annual team photo day! Thank you so much to senior teams who came out quite early to accommodate their team mates who had coaching and umpiring commitments for other Oakhill teams. Thank you also to our Junior NetSetGO teams, who played on Friday night and then made the trip back out on Saturday morning for their photos. A wonderful effort, well done to you all!

A special shout out to Kim Pattison, our fabulous Coaches Convenor, who kindly handed out order forms at training sessions last week and met with the photographer early Saturday morning. Kim helped to organise our morning teams as they arrived for their photos. Thanks also to our fearless leader, Zoe Nicholls, who works so tirelessly for our club the whole season. Zoe also delivered order forms to senior teams last week and was on hand the whole day Saturday to assist us all. Much appreciated, Kim and Zoe! All team photos will be included

Umpiring News

Well done to Trinity Newbury and Madison Bidner who volunteered their time to umpire at the 11 Development trials on Sunday. Well done girls on a great umpiring effort.

in our 25th Anniversary Presentation slideshows. Looking forward to seeing some happy team snaps from our juniors and some fun Flying V team shots from our seniors!
