

NEWSLETTER 2019 Edition 11

It was a chilly one for Round 13!

The temperature dropped and we found ourselves battling not only the opposing teams but the wind and the cold over the weekend. The girls did well to not turn into snowpeople on Friday night but the beanies were definitely required! Saturday did not prove much better, the sun was at least out but the wind continued to cut through you. At least the forecast for this weekend is a slight improvement.

With only two rounds left until the Semi-Finals, Oakhill Netball now has 12 teams sitting in a top four position on their ladders. With only 21 Junior/Senior teams that is more than half our teams heading towards the finals. That is an impressive effort so keep up the hard work everyone!

A huge Congratulations also goes to Heidi (B5 team) and Damien who have welcomed their (not so little) baby boy Korbin recently, weighing in at 4.8kg and 54cm, I'm sure Mahalia is excited to be a big sister!

We hope you have thawed out and are ready for Round 14.

Remember to keep your cool on court

Complaints/Incidents

Each week we are still seeing people receiving warnings and written incidents/complaints are being handed in across all age groups across many clubs. It is important to remember to keep your cool in the final weeks of the season. Yes, we all want to win and you may not agree with every call and decision in the game but it is important remain calm.

Abusive behaviour, on or off the court, is not acceptable, without umpires there would be no games. Players should simply play, coaches should simply coach their players and spectators should acclaim fair and sportsmanlike behaviour and keep their irresponsible remarks about the rules to themselves. "If you can't say anything nice, DON'T SAY ANYTHING AT ALL." Our members expect a learner umpire to be perfect on their first game and then expect them to improve, our members are not being realistic. This Association has good development programs with support offered at so many levels.
